

TC KOKUA TESTIMONIALS

What Customers are saying about TC Kokua

Hawaii's Big Island Festival

"TC Kokua's staff was very professional in the handling of our inbound and outbound reservations and sales calls for the Big Island Festival. We were impressed with TC Kokua's advanced technology, which gave us custom greetings, music and a database designed especially for us. Reporting was easy and tailored to our needs. Right before the event, TC Kokua also stepped up and handled our increase in call volumes with ease. We are already planning to have TC Kokua handle our event next year and would highly recommend them to anyone needing service with the Aloha Spirit."

"Maui Chefs Presents"

"TC Kokua was there at the last minute to help us take reservations for the annual "Maui Chefs Presents" event. They successfully booked 155 tickets during that one week which generated over \$16,000 for the Lahaina Town Action Committee. Their service is simply outstanding and we highly recommend them!"

Akina Aloha Tours

"Service has always been a priority here at Akina Aloha Tours, it's what keeps our customers coming back year after year. To help maintain our bookings we enlisted TC Kokua to contact travel wholesalers across the country and let them know about our services. It's a natural fit since they're a customer service company and understand how we operate. We have been using TC Kokua's customer care services for 3 years now and in the first 3 months we achieved a ROI of over 300%!"
